Help : I choose... because.../ I don't choose... because...

I select tea, fish and vegetables, white peaches, toast and marmalade and chocolate mousse because the Queen always drinks tea in the morning and she likes eating fish and vegetables (courgettes and spinach) for lunch. For dessert, she loves fruit (white peaches) and she adores chocolate mousse too. She sometimes eats toast and marmalade for breakfast.

I don't select milk, sugar, pasta, potatoes and rice because she never drinks tea with sugar or milk. For lunch, she doesn't eat potatoes, pasta or rice.

CHECKPOINT

- simple present
- frequency adverbs
- likes and dislikes verbs
- link words
