

Song :
The Cat in the Hat presents ...
GREEN EGGS AND HAM

“Ooooooh, I frequently think every now and then,
Of the glorious food of the noble hen,
Eggs ! Eggs ! E – double G – S ! Eggs !
My knowledge of eggs is tremendously wide,
I’ve eaten them **boiled**, I’ve eaten them **fried**,
Poached and **shirred** and **devilled** and **scrambled**,
‘Hummelled’ and ‘schmumulled’, ‘scumbled’ and ‘crambled’,
I’ve eaten them, beaten them, ‘swizzled’ and ‘swazzled’,
‘Frizzelled’, ‘cadizzled’, ‘bamboozelled’, and ‘fuzzled’,
I know every way that an egg can be guzzled,
And thinking of eggs reminds me of Sam,
Whose favourite dish is green eggs and ham !”

So, how do you like your eggs ?
What’s your favourite egg recipe ?
