I'm Hally!

I'm Sally!

Go away! (Hally and Sally are silly)?

Do you like blue veal with red coffee?

I do not like blue veal with red coffee!

Would you like them with Sally?

Or with Hally?

Not with Sally or Hally or anybody!

I do not like blue veal with red coffee!

Would you like them at the sea?

Would you eat them with a bee?

Not at the sea!

Not with a bee!

Not with Hally or Sally or anybody!

I do not like blue veal with red coffee!

Try them and you will see!

Girls I like blue veal with red coffee!

And I will eat them at the sea!

And with a bee!

And I will eat them with Hally and Sally

And with anybody!

Thank you Sally!

Thank you Hally!
