

HOW ECO-FRIENDLY ARE YOU ?

Let's interview people about their everyday habits.

A/ Listen to Maria, your penfriend's mum, explaining what she does everyday to help make the Earth a better place: <http://www.audio-lingua.eu/spip.php?article2512> List 10 things she does. You can use the mindmap if you need it. Maria is trying to do her best to :

- _____
- _____
- _____
- _____
- _____
- _____
- _____
- _____
- _____
- _____
- _____

B/ What do you think ? Would you say Maria is an eco-friendly person?

KEY

HOW ECO-FRIENDLY ARE YOU ?

Let's interview people about their everyday habits.

Listen to your penfriend's mum, explaining what she does everyday to help make the Earth a better place : <http://www.audio-lingua.eu/spip.php?article2512>. List all the things she does. You can use the mindmap if you need it.

Maria is trying to do her best to :

- Sort trash (glass, plastic, paper)
- Recycle paper
- Recycle paper bags
- Recycle bottles
- Avoid using the car
- Use Public transportation
- Car pooling if same destination
- If money : buy hybrid car (to save gasoline, runs partly on electricity)
- Turn off the light
- Turn off heating
- Use Rechargeable batteries
- Turn off water taps
- if baby : use less disposable diapers
- toilet train early
- eat : fruit and veg in season
- not import fruit and veg from far away countries : fresher and better for health
