→ **YOUR TASK:** You are a scientist working at ISRO, you make a short video to promote the research done so far by India on space exploration.

- Speak for 1-2 minutes.
- Don't use notes!
- Use the chronology.
- Make a list of 6 key words to help yourself.
  
- Write your six words and get ready to improvise !

| My key words : |  |
|----------------|--|
|                |  |
|                |  |
|                |  |
