

#### ÉTAPE 4 : GRILLE D'ÉCOUTE

→ **Consigne** : You are members of the committee whose job is to organize an evening event to tell your parents and family members about your recent trip to Ireland. Listen to your classmates' ideas, take notes and tell them what you like and you don't like about their suggestions. Ask them questions and try to improve their ideas before choosing the best ones to make this evening event unforgettable.

	Sum up the idea!	Good or bad idea?	What you like about this idea.	What you don't like or what you don't understand about this idea.	How can it be improved?
