

YOUR COLLABORATIVE TASK

A WEBSERIES

In **groups**, create an episode of a **webseries** about the **theme** you studied.
Each group in each class on a **specific** mission (different subjects, different skills)
The episodes will be posted on the **school's website** every day of the week preceding the **OPEN DAYS**.

What you need to complete this task:

- 1) You need to identify the characteristics of a webseries. Browse these websites and deduce the common characteristics to webseries or webseries episodes. Do it in pairs, then share your findings with your team. (20 minutes maximum) → report in copybook **and** culture notebook.
